

Johnson School Council

Minutes from January 17, 2008

Focus: Budget Override Campaign

An override campaign committee has been formed and has begun strategic planning to inform the community regarding the override vote that will take place on March 25th

- District captains are being established for each voting precinct to take charge of networking
- Committee reps have begun to meet regularly with the Superintendent
- The Superintendent is meeting with each school parent group this month to provide facts about the budget process
- A website is established to provide community information and recruit supporters
